

CARACTERE Sideboard

Designer: Roberto Serio

Year: 2013

DESCRIPTION

The sideboard of the Caractere collection is characterized by sinuous shapes that balance its design. The wooden structure contrasts with fabric applications on the legs and an embroidered section just below the marble or wooden top. The storage unit has four doors, the two central ones are embellished with an oval insert in mirrored gold. The Caractere sideboard is available in different finishes as per sample book.
