

COUTURE Chair

Designer: Roberto Serio

Year: 2012

DESCRIPTION

With the Couture collection, designer Roberto Serio expresses a concept of elegant design that is born from the desire to create furniture with fluid forms that eschew angularity and instead embrace the house and its inhabitants. This collection avails of exclusive and fascinating objects with soft lines that are created by combining precious materials. Caractere chairs are available with arms and in different types of leather or fabric.
