

## **PINNACLE** Vitrine

Designer: Huang Quan  
Year: 2021

### **DESCRIPTION**

The vitrine of the Pinnacle collection has steep features softened by softer and more circular lines as in the curved sides of the vitrine. The metal details are like small points of light that highlight the shapes. Designed to store accessories and precious objects, it is composed of wooden shelves and glass doors, equipped with internal LED lighting.

The company reserves the right to make changes to the models without notice. The information given here is based on the latest data published on the price list.
